

To join our activities you will need to register with BDCPS. You can do this via our website: www.bdcps.charity or call us on 01234 351759

Hello!

Please take a look at our timetable of virtual activities for the next 4 weeks of summer! There are activities for all of the family to join with so please do take a look. This includes weekly quizzes, sibling activities, gameshow fun, bingo nights, art and craft, sensory activities, music with the one and only Aga and the Spectrum Arts sessions that you have been enjoying for a few months now!

We will send out bookings for **one week at a time** – so look out for the bookings link each week. When you get the bookings email, you will then need to click on the link within the email. This take you to our online booking form. The activities are listed in date and time order and there is a description of each activity.

The prices are detailed in the timetables below. If there is an activity which we are charging for – this is a set cost for the whole family – NOT per person. So, your child, their siblings and you can join in for just £2. It will total the cost on the form, but when you are invoiced it will just be for the £2. Most of the activities are however, FREE of charge to you.

When you are on the booking form, tick the check box next to any of that weeks activities you wish to join. At the bottom add in the names of those in your household who will be participating, if possible. This is not essential. **Please also write here if you need help gathering any resources required as we are happy to source and deliver these to you. For example if you want to join in the cookery we can help you get the ingredients you need. Just let us know!**

Submit your form by clicking the red '**BOOK NOW**' button at the bottom of the page.

You do not pay online – we will invoice you as usual. You will be invoiced the following Monday after your bookings for the previous week.

When your request is received we will email you the Zoom meeting codes you need.

The sooner we get your form, the better, but please ensure your form is **returned by 3pm the day before your selected activities**. If you do submit it later, we cannot guarantee we will have received your request but will do our best to get the information to join to you.

Please take photos and video clips of your family joining in, so we can use them in our summer playscheme video 2020.

For those who have not got a Zoom account – you will need one to access our virtual activities. Visit <https://zoom.us/> to sign up for FREE today!

To join our activities you will need to register with BDCPS. You can do this via our website: www.bdcps.charity or call us on 01234 351759
